HOW TO ENJOY YOUR VISIT

The following guidelines are in place to ensure a safe and pleasant visit.

Continuation of your visit and visiting privileges will depend on:

- Visitors arriving without having consumed alcohol and/or an illegal substance, or being in possession of contraband. Visitors with a valid recommendation for medicinal marijuana will provide a copy to the Visiting Sergeant/designee upon arrival. Once verified, the visitor will be authorized access as normal.
- Visitors and/or offender following the Visit Guidelines, policy, and procedures.
- Compliance with search procedures.
- No disturbances or emergency situations within the facility.
- No clear and/or immediate danger or suspicion of criminal conduct that threatens the health or safety of any visitor, offender, or staff.

Weapons of any kind are not permitted.

Families are encouraged to be considerate of other visitors. Please avoid loud, excessively emotional, or disruptive behavior.

Dress standards are necessary to ensure the safety and security of visitors and offenders, to promote a non-offensive, family oriented environment, and to provide efficient processing of visitors. The Visiting Sergeant/designee will make the final determination regarding the appropriateness of any clothing, footwear, or accessories allowed. The following guidelines apply to visitors 8 years and older:

Clothing

VISIT GUIDELINES

Appropriate, modest clothing should be worn by all visitors. Clothing should be free of reference to obscenity, alcohol, drugs, gang references, or sex in any form. Buttons or closures should be fastened to the degree necessary to maintain modesty. All clothing must be clean and in good repair, free of holes, rips, or tears. Undergarments must be worn, to include briefs and brassieres for females, and briefs, boxers, or long underwear for males. Clothing will not reveal breasts or expose undergarments, cleavage, stomach/midriff, bare back when arms are raised, or bare chest. In addition, camouflage, hooded or bibbed attire, cargo or painter pants, or any other clothing that might be considered difficult to search (e.g., excessive pockets, padding, or layering of one outer garment over another) will not be worn.

Dresses, skirts, shorts, capris, skorts, and slits in clothing must not fall more than 3 inches above the knee.

Visitors may be prohibited from bringing hooded or heavy, parka style coats into the visit room. Such items may need to be hung on coat racks in the lobby area.

Footwear

- Shoes, sandals, flip flops, and boots must be in good repair. Slippers and quilted or fur lined snow boots will not be allowed.

Accessories

- Jewelry that hides other items (e.g., broaches, locketts, pins) or jewelry that looks like a key is not allowed.
- The following items are permitted:
 - Four pieces of jewelry in piercings (e.g., one nose, one lip, 2 ears, or the combination of 4 pieces of pierced jewelry).
 - One watch.
 - Wedding ring set and one ring.
 - Two necklaces.
 - Two bracelets.
- Two pairs of eyeglasses, to include one non-reflective pair of sunglasses for outside visits only.
- Belts may be worn, excluding money belts or belts with compartments.

COURTESY DURING VISITS

The Department intends to maintain visiting programs which help offenders preserve positive ties with family and friends. Cooperation by all participants is encouraged. The following visit room guidelines will help to ensure that visits are a pleasant experience for all participants:

- A brief hug and kiss (i.e., 4-5 seconds in length) are permitted at the beginning and conclusion of visits.

VISIT GUIDELINES

- In addition to brief, appropriate contact at the beginning and conclusion of each visit, an offender may have physical contact with his/her child(ren) up to age 8 in a manner that respects the child's feelings and physical boundaries. Facility visiting staff will monitor the child(ren) for signs of disengagement (e.g., pulling away, crying, screaming, etc.) and will, if appropriate, instruct the offender to discontinue the physical contact or return the child to the guardian.
 - The child may sit on the offender's lap.
 - The offender may show affection toward the child (i.e., hugs or kisses).
- During the visit, the only physical contact allowed between offenders and adult visitors is holding hands with hands in plain view on or above the table top. As visiting areas are family friendly environments, caressing of any kind will not be allowed.
- Conversations should remain quiet, without harsh language or swearing, encouraging pleasant and caring family interaction.
- Visit areas are provided for all visitors. Please use furnishings for their intended use.
- Because time is limited, the focus and interaction must remain between the offender and his/her own visitors and family. Speaking to other visitors or offenders will not be permitted.
- During visitation, money or debit cards may be used for vending machine purchases by visitors. At minimum security facilities, both offenders and visitors may use money or debit cards for vending machine purchases. Visitors are reminded to take all unspent money and debit cards with them when they leave.
- Children must be under direct supervision and within sight of the visiting parent or guardian/escort at all times, including children using the restroom. Offenders may supervise their visiting children while the adult visitor uses the restroom. Roughhousing and horseplay will be stopped immediately by the visiting parent.
- Verbal corrections and time-outs are the only allowable forms of discipline during visits.
- Showing affection, holding, and playing with visiting children promotes positive family interaction. Please remember to be considerate of other visitors and your public surroundings.
- Grooming of children's hair may be done during visits, unless visits occur in dining areas.
- When changing children's soiled garments, please use the provided changing areas.
- Visits may become emotional at times. If this happens, staff will check in with you and are available to assist as needed.
- Please put away all items used during visits (i.e., games, toys, books). Please throw trash and recyclables in provided containers at the end of your visit.

Suggestion/Comment forms are available in the visit room.
